

2023 (half-cycle) Loan Application Information and Instructions

Introduction

LRAP Minnesota helps reduce the education debt burden experienced by dedicated public interest lawyers who represent low-income clients seeking legal services to secure essential needs like food, shelter and safety, and fundamental rights like equal access to justice. To fulfill this mission, LRAP provides annual loan repayment assistance awards to help recipients repay their education loan expenses.

Forgivable Loans

LRAP's assistance is awarded in the form of forgivable loans. These loans are intended to be tax-free¹ to recipients upon their discharge (forgiveness) following completion of a period of service and proof that the loan was used to repay the recipient's Qualifying Student Loans. The 2023 Loan Application is an application for a series of two (2) forgivable loans—provided at the beginning of each calendar quarter from **January 2023–June 2023**. Each loan is approved separately prior to issuance. Loans will be forgiven following each calendar quarter, provided the recipient has remained in Qualifying Employment through the quarter and shows the required proof of repayment of Qualifying Student Loans.

Receipt of one or more loans during the 2023 loan cycle is not a guarantee that additional loans will be approved. Approval of additional loans during the 2023 loan cycle will be denied if the loan recipient has a change in income that renders them ineligible for a loan, if the loan recipient leaves Qualifying Employment and does not immediately secure new Qualifying Employment, if the loan recipient fails to provide the required proof that they have used the LRAP loans to repay their Qualifying Student Loans, or if LRAP determines in its discretion that it has failed to meet its revenue expectations during the loan cycle.

Eligibility for Loans

A. Law School Graduation:

Each applicant must be:

- a) a graduate of a Minnesota law school working full-time in Qualifying Employment; or
- b) a graduate of an American Bar Association accredited law school working full-time in Qualifying Employment in Minnesota.

¹ Each recipient remains responsible for determining their own federal tax liability and making all required disclosures to the Internal Revenue Service and any other taxing entity.

Individuals may reapply for benefits for up to fifteen years (15) or until the year in which their Qualifying Student Loans are repaid in full, whichever occurs first. The receipt of benefits in one year is not a guarantee of receiving benefits in subsequent years.

B. Qualifying Employment:

Applicants must document full-time employment at a 501(c)(3) or 501(c)(4) nonprofit organization by the time LRAP-MN payments begin.

Funding shall only be given to attorneys working in Qualifying Public Interest Organizations whose primary function is to provide legal advice or representation based on financial eligibility criteria and/or to attorneys working in Qualifying Public Interest Organizations whose primary function is to provide support services for the provision of legal advice or representation based on financial eligibility criteria.

Applicants with previous public interest employment may be eligible for additional years of experience in qualifying employment. Previous qualifying employment must meet LRAP’s Qualifying Employment criteria.

C. Qualifying Student Loans:

Qualifying Student Loans are loans from an institutional source that have been used to finance an applicant’s undergraduate education, law school education, and/or a joint degree program in which one degree was a juris doctor. Loans from family members and other non-institutional sources are not Qualifying Student Loans. An applicant who is in default on a loan is eligible to apply, although that individual may be required by LRAP to make all payments required by their lender to get out of default.

D. Income Cap:

Income caps apply based on years of experience **as an attorney**. However, priority for loan repayment assistance is based on years of experience in Qualifying Employment.

Selection of LRAP Recipients and Determination of Loan Amounts

LRAP recipients are selected based on the eligibility criteria outlined in LRAP’s Program Guidelines. However, LRAP reserves the right to identify and use additional selection criteria. An Awards Committee appointed by LRAP’s Board of Directors makes recommendations to the Board regarding eligibility and the size of loan amounts. The Board of Directors makes all final decisions regarding eligibility and loan amounts. In determining

the size of loan amounts, the Board may consider the relative financial need of applicants. All decisions of the Board of Directors are discretionary and final.

Applicants will be notified by e-mail of the results of their applications. Applicants who are awarded an LRAP loan will receive additional information and instructions by e-mail, including a loan agreement and promissory note.

University of St. Thomas Loan Repayment Assistance Program

As part of its long-standing collaboration with the Minnesota law schools, the Loan Repayment Assistance Program of Minnesota administers the University of St. Thomas School of Law Loan Repayment Assistance Program. Graduates of the University of St. Thomas School of Law who submit the Loan Repayment Assistance Program of Minnesota Loan Application and a University of St. Thomas School of Law Application Addendum will be considered for eligibility for the University of St. Thomas School of Law Loan Repayment Assistance Program and the Loan Repayment Assistance Program of Minnesota. All awards will be distributed through the Loan Repayment Assistance Program of Minnesota.
